

Hello!

On behalf of the Agriculture Science teachers at Cinco Ranch high school we would like to welcome you to our classes. Your son or daughter is enrolled in a class that offers many opportunities. One of the greatest opportunities is FFA membership. We would like to invite you to check out our FFA [website](#). The website allows students and parents to view and discuss the opportunities available. Your student will be learning about our FFA program during their agriculture science class in the coming weeks. In past years we would meet for a social and also have an FFA show meeting. That is not possible this year.

You may be familiar with FFA; however, we would like to show you how FFA can be a positive influence in the life of your child for years to come! We have a strong, well rounded program at Cinco Ranch and would love for you and your child to experience it.

If you are interested in becoming a member please check out the [website](#) to:

- Pay FFA Dues
- Learn about show requirements
- Join the FFA Booster club
- Register for emails from the FFA Chapter

If you are new to our classes and want to see what we have to offer, check out the [website](#) and email any of the teachers with specific questions.

Follow these instructions to sign up for the [new](#) remind.

Student Remind: text @ejensc to the number 81010

(You will receive a welcome text from Remind. If you have trouble with 81010, you can try @ejensc to (484) 483-2241)

Parent Remind: text @ejensch to the number 81010

(please note the "h" at the end of the @code for the parents)

(You will receive a welcome text from Remind. If you have trouble with 81010, try texting @ejensch to (484) 483-2241)

If you need further information please email your students teacher.
