Area CDE Contest Results

Last weekend, our Career Development Event teams represented Cinco Ranch at the Area level. We have had great success this year, with hopefully more to come, and are proud of the teams that have already competed at the area level and will now represent us at the State level at the end of the month. We still have 5 more teams who will compete at the area level next week.

Results at area are as follows:

Milk Quality & Products: 1st – State Qualifier

Entomology: 4th - State Qualifier

Poultry: 9th

Nursery Landscape: 9th

Floriculture: 10th

Horse: 25th

Good luck to the teams who will be competing at the area level and to the teams who will be competing at State!
