Dear Cinco Ranch FFA family,

It is with a heavy heart that I send this email about the loss of one of our AG teachers, Mr. John Ford. He was in a motorcycle accident yesterday evening along with his wife, Mrs. Kim Ford. Mrs. Ford is in the hospital, will need several surgeries, but is expected to make a full recovery.

As people gather, phones alert, and social media floods with thoughts, prayers, and pictures of Mr. Ford, it is not hard to see the influence he has had on the chapter and especially the students that have come through the program. Not only was he a great teacher, but he was an incredible FFA advisor and friend.

His wife Kim joined our Cinco Ranch FFA family last year. She quickly made her way into the hearts of many students and has been an influential part of who we are. As we learn more about Kim and how we can help, we will reach out and let you know. For now lots of thoughts and prayers not only for the family but also our students!

We will all miss the man who was the "father" of our FFA chapter. The head of our pig mafia. Someone who was deathly afraid of rabbits. The strong hearted leader we could all turn to.

And with that I will finish with his famous words...

"COUGARS ON 3! 1....2....3....."
